☐ Record of a processing activity of personal data that is already in place (ex-post)

☑ Change/Amendment/ Update of an already existing previous record (or previous notification to DPO)

DESCRIPTION OF THE PROCESSING

The Agency is located in premises of the European Commission (EC). Security and protection of persons present in EC premises subject to the European Commission's security Decision 2017/46 of 10 January 2017 is ensured, inter alia, via a systematic access control. This includes the use of appropriate technical equipment and information systems, which may include recording entry to and exit from the premises, identity controls on the premises to prevent unauthorised persons from entering EC premises and to protect the security of the premises.

Accordingly, the external visitors to the Agency premises have to be registered in the V-Pass application of the European Commission where basic personal data is recorded. The registration of visitors can take place directly on site or before the visit, based on information collected directly from visitors or from appropriate sources (eg internal data bases, coordinators, contractors) by authorised Agency staff and encoded in the V-Pass application. Access of external visitors to Agency premises is subject to systematic identity and access control.
